

**Day 1, 8/11/2008 – The Great Wall**

**Claire and Aunt Michelle trekking down the wall**

**Dangerous. Much too dangerous. Stop thinking what you are thinking...**

**J.R. and Chris found out that you CLIMB the Great Wall!**

**A view of the scenery. Nice day. Cool (in the upper 70s) and a brief spurt of rain.**

Claire and J.R. Opposite perspectives, as usual.

From bottom up: Fan, Roy and Gary, easing their way down the wall. Notice Fan shoes!
